

CONFIDENTIAL

Chief, Editorial Division

7 January 1949

Chief, FBIB

1. OCD requested at 1625, 7 January 1949, that effective at once Navy Department be advised earliest possible moment receipt of any monitored information from Russia or satellites with reference to U. S. Forces remaining in or withdrawing from Tsingtao. Necessary instructions have been sent to the field.

2. Any information received should immediately be transmitted to the ONI Duty Officer by telephone (Code 131, extension 2988) by the Editor-in-Charge until Monday morning, 10 January, at which time I should be advised of results over weekend and will instruct as to whether or not telephone service should be continued.
